

# CHAIRMAN'S CHRISTMAS MESSAGE 2024

## DEAR TEAM

As the festive season approaches, I would like to take a moment to extend my heartfelt wishes to each of you, our valued employees. Christmas is a time for reflection and gratitude, and I want to express my deepest thanks for your continued devotion, hard work, and loyalty throughout the year.

The challenges we've faced together in the post-COVID world have not been easy, but your resilience has been remarkable. Despite the ever-changing landscape, especially with the rising concerns of crime in our communities, you have remained steadfast in your commitment to our mission. This year, more than ever, your efforts in ensuring the safety and security of others have been commendable, both within our professional roles and in our personal lives.

What sets our organization apart and drives our success is the passion and dedication of each one of you. Your unwavering commitment, not just to the company but to the principles of service and excellence, is what fuels the heart of Amalgamated Security Services. It is this passion that has allowed us to build a legacy of trust and reliability, making a tangible difference in the lives of those we serve.

Our journey has been one of progress and adaptation. From the early days, we have built a reputation of excellence in the security sector, and today we stand at the threshold of a new chapter. The completion of our new headquarters symbolizes more than just a physical move; it is a manifestation of our growth and success over the years. This facility represents our collective achievements and the foundation on which we will continue to build our future. It is a place where we will enhance our brand image, improve working conditions, and inspire greater collaboration as we move forward together into the next era of Amalgamated Security Services.

As we celebrate our success, it is also important to look inward and reflect on how we prepare for the future. Let us focus on being prudent with our spending and embrace the need to save as we grow older. Health, financial security, and long-term planning should be a priority for all of us. Most of us have made a significant commitment to this career, investing heavily in its success. Let us continue to preserve and protect not only our clients but also our own homes and families. Together, as a family unit, we can uphold the values and dedication that are at the core of who we are.

As we grow regionally, we hope to leave a lasting footprint and gain recognition for our excellence in service. Our commitment to our clients and each other must remain unwavering as we strive for international accreditation and standards that represent the pinnacle of our industry. Supporting one another, being that safety net that ensures stability—even if not always used—is essential to our collective success.

# CHAIRMAN'S CHRISTMAS MESSAGE 2024

## DEAR TEAM

I want to take this opportunity to thank God for his constant protection and guidance through these challenging and uncertain times. His presence has been a steadfast source of strength, safeguarding us and our families and empowering us to overcome difficulties with faith and perseverance.

We also draw inspiration from the presence of Saint Michael the Archangel, whose image stands proudly in the main lobby of our headquarters. As a symbol of protection, strength, and resilience, his presence serves as a daily reminder of our mission to safeguard others and uphold our values. Just as Saint Michael is a guardian and defender, may we too embody these qualities in our work and lives, standing strong for our families, colleagues, and clients, while trusting in divine guidance to lead us through life's challenges.

On behalf of my family and myself, I extend our warmest wishes to you and your families for a joyful, peaceful, and safe Christmas. May this season bring you happiness, and may the new year be filled with continued success, unity, and prosperity. Your dedication and passion are what make this institution thrive, and for that, I am deeply grateful.

*Thank You Again for All That You Do!  
A Merry Christmas and a Happy, Safe and Prosperous  
New Year 2025!*

**Warm Regards,  
Dr. Michael Aboud (Hon.)  
Executive Chairman & Founder
